Employee Recommendation Letter

To Whom It May Concern,

I had the pleasure of working with Ms. Irina Filimonova during her contract with Makeen Technologies as a **Full Time UI/UX Designer** since March 2020.

Irina is a talented and professional designer who brought a fresh eye, contributed creatively to various projects, and delivered key capabilities to our customers. Her ability to deliver effectively, learn quickly, work hard and adapt to different work environments made her very appreciated by the team.

I have personally been very impressed by her interpersonal and communication skills, which helped her build productive working relationships with her peers and our customers.

I truly believe that Ms. Irina Filimonova with her creative skills and strong work ethic will be a valuable addition to any creative team.

Please feel free to contact me for any other inquiries.
